

Raising Children Together

“Our children are  
only as safe as their  
friend with the  
weakest digital rules.”

When last did you check  
what your child is viewing online?

What have they seen that  
they shouldn't have?

Which friend have they told?

**Please delay giving  
your child a smartphone  
until at least high school!**

## Grade 7 Outreach

Thank you to our Grade 7s who gave up their time on Saturday morning to clean the Moreleta Spruit as part of our Grade 7 Outreach Programme. You rock!

## Grade 6 and 7 Examinations

Our Grade 6 and 7 children are gearing up for the upcoming exams: Grade 6 from 8 - 12 June and Grade 7 from 8 - 19 June. Exams will take place before break, followed by the normal school day until 13:30, with the Afternoon Programme continuing as usual.

To all our Grade 6s and 7s: stay calm, stay focused, and remember - exams are a little like making pancakes - the first one may feel a bit shaky, but once you get going, it all starts to fall into place!

# THE PLAYFUL TIMES

We had some very special fluffy visitors at school this week! "The Incredible Dog Show" brought lots of excitement, and the children absolutely loved meeting these friendly furry friends. We were amazed by the wonderful tricks they could perform. What a fun and memorable experience for everyone!

When children do special things like this on their own during playtime, there are sometimes no words. We simply watch and learn from their ability to slow everything down and be in the moment. How blessed we are to work with these little people every day.
