

♥♥ The Secret to Success ♥♥ Might Be in Your Kitchen

One of the longest studies ever conducted on human development was a **Harvard Study** that followed children for more than 75 years to answer a simple question:

What makes people successful in life?

The answer wasn't IQ. It wasn't academic achievement. It wasn't getting 90% on every report card.

It was doing chores.

Researchers found that professional success in adulthood was strongly linked to having done chores as a child. In fact, the earlier children started, the greater the benefit.

Why? Because doing chores builds a mindset that says, ***"There is some unpleasant work. Someone has to do it. It may as well be me."***

Doing chores teaches children to contribute their effort for the betterment of the whole.

Doing chores develops the instinct to roll up your sleeves and pitch in without being asked. This instinct isn't taught in a classroom; it is learned when a child goes through the motion of helping because that is simply what a family does.

In today's world, many of us, with the very best intentions, fill our children's schedules with tutoring, sport, extra lessons and activities. We want to give them every opportunity to succeed. Yet one of the simplest and most powerful opportunities may already be waiting at home.

Success doesn't start with a report card. Success starts in your kitchen, **in your laundry, and in your garden.** (Children often enjoy that more than we think 😊).

The good news is that it is never too late to start. Even small, age-appropriate responsibilities can help children develop habits that will serve them well for the rest of their lives.

Sometimes the most important lessons for success are learned far from the classroom!

Innige Meegevoel

Ons gedagtes en gebede is met die Kraak-familie, wie se jongste kind tragies die afgelope naweek oorlede is. As skoolgemeenskap dra ons die familie in ons harte gedurende hierdie tyd van diep hartseer.

“Die Here is naby die gebrokenes van hart en Hy verlos die wat verslae is van gees.” – Psalm 34:19

Mag God se liefde, vertroosting en vrede die Kraak-familie omring in die dae en weke wat voorlê. Ons vra ons skoolgemeenskap om hulle in u gedagtes en gebede te hou en hul privaatheid gedurende hierdie moeilike tyd te respekteer.

Baie Dankie vir 'n Wonderlike Opedag

Hartlike dank aan al die ouers, personeel en kinders wat ons Opedag ondersteun het en gehelp het om ons skool aan voornemende gesinne bekend te stel.

'n Spesiale woord van dank aan die kinders wat met hart en siel deelgeneem het. Of hulle besoekers verwelkom het, met aktiwiteite gehelp het, hul ervarings gedeel het, of bloot hulself was - hulle het ons skool met trots, entoesiasme en vriendelikheid verteenwoordig. THE PLAYFUL TIMES

OPEDAG

Ons kinders het dit baie geniet om die lewe "Op die Plaas" tydens ons Kleuterskool Opedag te verken. "Die Here is my Herder..." - Psalm 23
Ons lei en versorg ons kinders met liefde en sorg, net soos 'n herder na sy kudde omsien.

Ons is trots op ons Graad 7-toegidse - dankie vir julle doeltreffende en vriendelike diens.

Baie dankie aan almal wat by ons aangesluit het. Ons het dit geniet om hierdie opwindende dag saam met julle te geniet! 😊
